Road Tour minutes

The Township reviewed the township roads and made the following recommendations:

114th St W: crack fill

119th Ct W: crack fill

120th Ct W: crack fill, add seasonal speed bumps, and speed bump signs

130th St W: (from Canby to Culver): crack fill

Culver Ave: The Town board discussed cutting down the hill and leveling out the area around the Fox Lake Trail intersection

140th St W (east of Culver Ave): look at the bad spots and correct and put gravel, as needed.

Culver Avenue (south end of 140th St W): add some gravel, especially near County road 9 and the intersection of Culver Ave & 140th St W

140th St W (west of Culver Ave): gravel from Culver Avenue W to 9 – end to end

Dover Ave: add Gravel near wetland corner.

135th St W: gravel on the hill

130th St W: (east of Garfield): gravel from end to end

120th St W: (west of Circle Lake): gravel from end to end

Elmore Ave: gravel near Salvage yard and after Salvage yard

130th St W: (east side of Echo Ave): gravel from end to end

Fox Lake Path: gravel at the intersection of Fox Lake Path and 131 Ct W and the all the way down Fox Lake Path and around the circle

Baker Avenue: gravel from end to end

90th St W (east side of 46): gravel from end to end

Baseline Road: gravel from end to end

120th St W (east of I35): gravel from end to end

Chester Ave: gravel from end to end

Clearwater Path: gravel from end to end

Garfield Ave (South of County Road 1): gravel from the Millersburg Blvd to the top of the hill

Garfield Ave (North of County Road 1): put a few loads of gravel coming down the hill from Millersburg Ave

Falls Trl: watch frost boils north of 113 St W

Circle Lake Trail: couple loads just south of Millersburg Blvd
