The Forest Town board is meeting to pass two resolutions regarding the Tupa's petition to establish a cartway in Forest Township.

Charlie read the resolution requiring a cash bond before proceeding on the cartway petition. The determined estimated damages and costs of the cartway project are \$10,000 and it would be required that the bond be posted before the board will take any action on the petition.

Charlie read the order setting forth initial descriptions and setting a hearing date regarding the request for the establishment of a cartway in Forest Township. The board will conduct a hearing at 6:00 pm on January 12, 2022, at the Forest Town Hall to examine the proposed cartway, receive public comment, and consider the petition.

Bill made a motion to accept the order setting forth initial descriptions and the setting of the hearing date. Charlie seconded the motion. All voted in favor and the motion carried.

The Tupas are responsible for notifying impacted property owners.
