

Forest Township Driveway Permit Application

Property owner/general contractor responsible for the driveway installation:

Name: _____

Phone number: _____

Email address: _____

Property address: _____

Description of the driveway location: _____

Undertaking and Agreement in Consideration of a Permit to Construct an Approach to a Township Road

In consideration of the issuance to the undersigned by the Forest Town Board of Supervisors of the foregoing permit to construct a road approach connecting to a Forest Township road, the undersigned person, benefited by the granting of said permit do hereby agree:

- The permit holder, immediately upon the issuance of the permit, the will mark both sides of the desired driveway location with white stakes. Please call Ron Gernandt at (507) 744-2526 for location approval and confirmation of the galvanized steel culvert size. **No work can begin until the driveway location and culvert size has been approved and confirmed**
- The permit holder will deliver a fully refundable check in the amount of \$600.00 with the completed permit application to a town board member. Upon final inspection/approval, the check will be returned/destroyed.
- Work may begin once the location has been confirmed. The permit holder has 120 days to complete the driveway. The permit holder will call Ron Gernandt at (507) 744-2526 immediately upon driveway completion for a final inspection/approval of the completed driveway
- Permit holder will fill in and hand tamp, at own expense, all trenches dug across the road
- Permit holder will fill in and sod, at own expense, all road banks and rights of way disturbed by the laying of the culvert and construction thereof.
- Permit holder will gravel the town road at the location of the construction to as good a condition as before the installation of said approach, at the permit holder's expense
- Permit holder will restore, at the permit holder's expense, the road and road surface at the location of this construction to as good a state of condition prior to the construction of the said approach.

And, we do herby further undertake and agree to defend Forest Township from and against claims, suits, or damages claimed to be sustained by that person or persons from or as a result of construction of said new road approach.
